## LETTER TO OUR FOOD BANK FAMILY

Dear Food Bank Friends,

Throughout the past year, our commitment to solving hunger has not wavered. As we close in on providing enough meals for our neighbors in need in Northern Illinois, our commitment grows even stronger. It is our belief that every single person not only needs, but deserves, access to enough food that is both nutritious and desirable. Here at the Food Bank, we will never waiver from that goal.

In total, **we served 65.5 million meals last year to our neighbors in need in the suburbs of Chicago and rural communities across Northern Illinois.** While every community is important, we are most focused on increasing meal distribution to our underserved, highest-need communities. We've piloted and expanded key programs to ensure that all of our kids, seniors and families have every meal needed, every day. This is only possible because of our generous donors and volunteers – **what you do matters** and makes difference!

In addition to our core work of providing more meals, we've focused on building healthy communities. We piloted the **Senior Grocery Market** at our Northwest Center in Rockford, where seniors have the opportunity to shop at the Food Bank twice a month to receive fresh produce, nutritious proteins, milk, eggs, cereal and more...good food that is highly desired. At our first market, we served 80 seniors. Now, we're serving 300 seniors during every market! It's a privilege and honor to serve these precious neighbors. The need is there and the Senior Grocery Market is here to stay so we can help senior's live healthier lives.

We serve kids every day, year round through our After School, BackPack and Summer Meal Site programs. I am very proud that we were awarded the USDA's highest honor, the Golden Beet Award, as one of the nation's top 10 leading Summer Meal Program sponsors with the highest quality food. Our 20 week **Nutrition Education Program** teaches kids healthy eating habits, engages

them in food preparation and gives them the opportunity to try foods that they may have not had the courage to try in the past. The program covers all of the food groups – vegetables, fruits, proteins, dairy and grains.

The **Diabetes Prevention Program** moved from a pilot to a permanent program and teaches participants that through mindful eating, joyful movement and stress relief they can lead healthier lives. Encouraged by the growth of this program, we launched our **Healthy Harvest Produce Box Program** in partnership with Kishwaukee Hospital and Northwestern Medicine, which gives medical professionals the opportunity to screen patients for food insecurity (those at risk for missing meals), and intervene with access to produce, resources and support. Patients receive the healthy food they need right onsite – a 25 pound box that the Food Bank provides filled with assorted fresh fruits and vegetables.

It has been a year of continued growth with the goal of not only providing enough meals to our neighbors, but also transforming our communities.

If you're reading this letter, **you are a part of our community** – just like every single name in this annual report. We could not be more grateful for the steadfast support you have provided. When we come together, we are able to share, provide and learn as we build strong, vibrant, loving communities in which everyone is exceptionally cared for and welcomed. As we do that, we're working toward our ultimate goal: **solving hunger in Northern Illinois.** For that, we can all be proud.

Warmly,

Julie, Karen and Geneace

TOGETHER WE ARE  
**PROVIDING**  
FOR OUR HUNGRY NEIGHBORS

“I don’t think people realize the profound effect they have on someone [when they donate]; they’re not just providing food, but also dignity. That little bit of help helps in many other ways.”

**TOGETHER WE ARE**  
**LEARNING**  
**NEW WAYS TO SOLVE HUNGER**

“I can’t think of anything much more gratifying than participating in a cause in which you deeply believe. And I deeply believe in the impact Northern Illinois Food Bank is having on the community by partnering to provide full plates for those in our 13-county service area who simply need a caring and helping hand.”
