## **Support Northern Illinois Food Bank by donating a Raffle or Silent Auction item**

---

Northern Illinois Food Bank is leading the Northern Illinois community in solving hunger by providing nutritious meals to more than half a million individuals each year in 13 counties through innovative programs and partnerships. Involvement in the Food Bank's signature events provides a marketing opportunity to your business by showing your support of the mission of one of the most respected food banks in Illinois.

The success of our special events relies heavily on the silent auction and raffle. As a business leader in your community, you have the opportunity to showcase your company's quality products and services, and in turn, help us provide more meals to our hungry neighbors. In addition to generating funds for Northern Illinois Food Bank, your generous donation will provide your company with substantial advertising and exposure at the event. Your gift is 100% tax deductible.

We hope you consider donating an item or package to Northern Illinois Food Bank's special events. Attached is a list of items that have been successful in previous years, but we appreciate any item or experience you can donate. Please submit the attached in-kind donation form with your donation.

We thank you in advance for your generosity and consideration. Every \$1 raised helps provide \$8 worth of groceries to our hungry neighbors in our community.

Thank you for your support! If you have any questions, please feel free to contact me.
